

SIGC HELPING THOSE WHO HELP OTHERS

Armed with tools and lots of energy, the SIGC workforce included our dedicated members, our Soropti-mister's, and a group of very willing assistants from AJ High School's Navy JROTC Program. In just 5 hours, we accomplished a makeover of CAAFA's advocate office, complete with 6 new desks and chairs – all of which needed assembly. We also reorganized their donations area for easier access, sorting and storage into large bins. This included sorting and storage of a multitude of generously donated quilts to be given to CAAFA's participants. Lastly, we reorganized toys, books and games in their family support area.

SIGC's goal to provide a more workable environment was accomplished. CAAFA is extremely happy with their well-organized new space and commented that their office has never looked so good. Dorian Townsend, Executive Director said, "This project has completely re-envisioned the advocacy office, allowing county-wide advocate's to have a mobile workspace. Improvements to other office areas are more family-friendly and will make it easier to serve our participants."

We continually look for local opportunities to better the lives of women and girls. In past years, we have made a difference at Hope Women's Center, Home Of Hope and Arizona's Department of Child Safety, to name a few. Toward this effort, Soroptimist International of Gold Canyon (SIGC) held it's annual Saturday Of Service, with helping hands to a very deserving organization – Apache Junction's Community Alliance Against Family Abuse (CAAFA). This dynamic agency was founded in 1998, supporting victims of domestic and sexual violence in Pinal County in many ways, including emergency shelter, support groups, advocacy and community outreach services.
